

BULLETIN BOARD POLICY

The Library has a bulletin board in the front lobby for posting of notices, announcements, etc. All items posted on the bulletin board must have the approval of library staff. Library staff will record the date the item was posted with their initials. A notice to this requirement will be posted on the bulletin board – any notices without a stamp of approval will be removed from the bulletin board.

Items will be posted for no more than 30 days – the Director has the discretion to extend this period if deemed necessary.

Posters may not depict graphics or text that could reasonably be considered offensive to the community.

No posters, brochures, or display materials that advocate for a particular candidate or issue will be allowed.

Posting of any notice does not imply endorsement by the Sturm Memorial Library.
